HOUSE COMMITTEE ON LAW & JUSTICE

Majority Report: Do pass. Signed by 11 members: Representatives Sheahan, Chairman; McDonald, Vice Chairman; Sterk, Vice Chairman; Costa, Ranking Minority Member; Constantine, Assistant Ranking Minority Member; Carrell; Cody; Lambert; Lantz; Radcliff and Sherstad.

Staff: Trudes Hutcheson (786-7384).

Background: In a given legislative session, two or more bills may amend the same section of the Revised Code of Washington without reference to the others. This is often called double- or multiple- amendments. Usually there are no substantive conflicts between the multiple amendments to a section of the code. However, sometimes even though there is no substantive conflict, merging multiple amendments may require some restructuring of a section for grammatical or other reasons. In addition, one bill may amend a section, and another bill may repeal that section. When both bills pass, the code reviser may decodify the section which was repealed and make a note of it in the code.

Over the years, changes in the designations of various agencies and entities have been made in the code. Occasionally, older and now obsolete references to previous designations remain.

The Statute Law Committee reviews the code and recommends legislation to make technical corrections, including reconciling multiple amendments and deleting obsolete references in the code.

Summary of Bill: Technical corrections are made to provisions in the code relating to the Department of Financial Institutions. Various sections of the code are reenacted to merge multiple amendments made in previous legislative sessions. Sections are amended to reinsert language inadvertently deleted.
